

TEOH ZHI JIE

SOFTWARE ENGINEERING UNDERGRADUATE

Subang Jaya, Selangor / Bayan Lepas, Penang

jayb85786@gmail.com | 016-417 5751 | github.com/jteoh87 | linkedin.com/in/teoh-zhi-jie

PROFILE

Software Engineering undergraduate at Sunway University (graduating 2028), building a foundation in Python, Java, SQL and web development. Comes from several years of part-time work in fast-paced bar and service environments, bringing a reliable, customer-focused attitude and a strong work ethic under pressure. Now channelling that same drive into building software. Trilingual in English, Mandarin and Malay.

GCE A Levels (Pre-University) · Penang

Sep 2023 – Jun 2025

Chung Ling High School

Secondary Education, Science Stream · Penang

2018 – 2022

TECHNICAL SKILLS

Programming

Python, Java, SQL

Web

HTML, CSS

Languages

English, Mandarin Chinese, Bahasa Malaysia

PROJECTS

Fuku — Clothing Brand Website

Personal / freelance project · HTML, CSS

2025 – Present

- Designing and building a multi-page, responsive website for a Malaysian clothing brand.
- Focus on a clean, minimal layout and consistent branding across pages.

Student Records Management System

Coursework project (Programming Principles) · Python

2025

- Built a menu-driven console application to manage students, courses and grades, with data persisted across sessions in text files.
- Designed a modular structure of functions for adding records, recording marks, generating individual and course reports, and exporting summaries.
- Added input validation, duplicate checks and error handling for reliable, user-friendly operation.

WORK EXPERIENCE

Assistant Store Manager

TRT (Clothing Retail)

- Supported daily store operations, including inventory, merchandising and opening/closing.
- Coordinated floor staff while handling customer service and sales.

Bar-back (Part-time)

No Bar Here

- Supported bartenders during busy service — restocking, glassware and prep.
- Kept the bar running smoothly and maintained a clean, well-stocked station.

Service Crew (Part-time)

No Bar Here

- Served customers, took orders and handled payments in a high-volume setting.
- Worked closely with the team to keep service fast and consistent.

Service Crew (Part-time)

Backdoor Bodega

- Delivered friendly, attentive table and counter service in a busy bar.
- Built customer rapport and handled orders and cash accurately.
